

Press Release

Koviss Golf known for the world's first spring loaded golf tee the – **VS TEE** – **conforms** to the rules of golf of **USGA** and new also **R&A**.

The insider tip between golfers to improve the handicap guarantees a **perfect through swing** for the flexible spring loaded head and has **many advantages**:

- the high performance **VS Tee head** is made of **urethane**. Polyurethane is a unique material that offers the **elasticity** of rubber combined with the toughness and **durability** of metal. Urethane is available in a very broad hardness range (eraser-soft to bowling-ball-hard). **Compared to plastics**, urethanes offer **superior impact resistance**, while offering **excellent wear properties** and **elastic memory**. Polyurethane has also an **outstanding resistance** to general weather conditions.
- The **bottom** of the **VS TEE is Nylon**. Nylon is **extremely strong**, tough, and abrasion resistant. Other important characteristics on nylon are its **impact resistance**, dimensional **stability at high temperatures** and **light weight**.
- **VS TEE** have a unique design and are available in **different colours**.
- **VS TEE's** are available in **5 sizes** to **profit each time you tee up of the optimum tee height**.
- For the **constant tee high**, the playing ball has always the **correct height** for the impact and a **smooth clean hit**, straighter & accurate shots are the results. Golfers referred even that as a consequence they increased distance.
- For a **stable tee off**, the **head** of a **VS TEE** is **27% larger** compare to a traditional tee.
- The **cord linked VS Tees**, to use as **anchor**, **prevent from losing them**, not only a **great pleasure** for **golfers** but also for **green keepers** and a **contribution** of **Koviss Sport** to the **environment**.
- The **VS Tee** is a **real profit** for all golfers developed and produced by an enthusiastic golfer.

Koviss Golf products are known as **economical due to high quality material**. They unit an **innovative and advanced high level technology with an extraordinary design and are unique in its kind**. Not only the **VS TEE's** but **all Koviss Golf Accessories** are **perfect and exclusive promotion materials known for its durability and a long lasting promotion on golf accessories**.
